Dear Parents,

The Student Handbook is on our website at sbschool.org if you need another copy. Because in private and parochial schools we are governed not so much by civil law, the Handbook becomes our contract.

It would be to our mutual benefit that everyone knows what is in the handbook. I apologize that it is not interesting reading!

According to our procedures, every family needs to read and return the attached page, signed and dated. Please return this page by September 22, 2005.

Sincerely,

Mr. Sine

Please fill out and sign this form only after reading and discussing the Handbook with your child/children. RETURN TO SCHOOL.

St. Charles Borromeo School Handbook will be used from year to year. It is available at the St. Charles School website, sbschool.org. It would be a good idea to print a copy of this to keep. You will receive, either in print or on the web page, copies of any changes or additions as they are made and at the first of each school year.

Students and parents in Catholic Schools are guided not by civil and constitutional rights and laws as much as contract law. A major component of the contract that exists between school and home is contained in the student/parent handbook. To insure that you as a parent know your rights and your responsibilities, please sign and return this page to the school office by September 22nd.

I have read and agree to follow the rules and regulations contained in this handbook.
